

Subject: Invitation for 10th-Grade Students: Apply Now for Teen Leadership Experience

Dear Parent/Guardian,

I hope this letter finds you and your family in good health. We are thrilled to present an exciting opportunity for your 10th-grade student to participate in our upcoming Teen Leadership Experience.

The Teen Leadership Experience has been crafted to amplify the voices and needs of local teens, specifically 25-30 10th-grade students in Greater Cincinnati. This dynamic group will play a pivotal role in shaping a teen-created and teen-led Leadership Development Program experience for future students as well. Beyond exclusive outings, each participant will be paired with an adult mentor and will receive a stipend of \$250 upon successful completion of the program.

Throughout the program, the group will meet twice a month from February through July for activities, feedback sessions, and experiences designed to focus on teen wellbeing. The meeting schedule will initially start on Saturdays, but we will encourage the group to adjust meeting dates based on availability.

To provide more details about this transformative experience, we invite you and your student to an optional informational session on February 10th at 1:00 pm at Youth at the Center's offices (500 Reading Rd., Cincinnati, OH 45202). This session will offer comprehensive insights into the program's structure, benefits, and application requirements. Food will be provided, and we believe attending this session will help students make informed decisions about their participation.

The application deadline for the Teen Leadership Experience is February 16th. All applicants will be notified of their application status by February 23rd. We kindly request you encourage your teen to consider this opportunity as a pathway to self-discovery and empowerment.
